Feel free to tell others about PEART and/or the training we provide. Those that respond to animal emergencies deserve training that will enable them to respond as safely and professionally as possible.

Every emergency responder deserves that, and so does the animal that is in need of assistance. You may also follow us at: <https://www.facebook.com/PiedmontEmergencyAnimalResponseTeam>

I have attached flyers and syllabi for your convenience. We look forward to WORKING and TRAINING with you!
